Our office, nursery and storehouses are located on the Springfield-Westfield road, Route No. 20, six miles from Springfield and two miles from Westfield—Busses pass the Nursery at frequent intervals

Index of Common Names will be found on Page 52.

Ninety-Eighth Year

Information

Guarantee

SIX MONTHS' GUARANTEE: We guarantee to deliver nursery stock in first class condition so that with proper aftercare losses will be reduced to a minimum. Should any stock purchased at our retail prices fail to grow within six months, unless it is from winter kill, we will resupply free of charge plus the cost of labor necessary to plant.

Should we not have the same plants in stock we reserve the right to give credit for the amount paid in other plants of your selection.

We will cheerfully resupply any plant found not true to name, or we will refund the amount paid for the same, but it is mutually understood that at no time shall we be held responsible for a greater sum than the purchase price.

Our guarantee is void on accounts not paid within thirty days after date of invoice.

Shipping Methods:

Shipments will be forwarded as purchasers direct, but in the absence of instructions we will use our best judgment and forward plants by shortest and safest route.

Quantity Rates:

When you order less than five plants the each price prevails. Take advantage of the quantity rates by ordering five or more plants of the same variety and size. This will entitle you to the ten rate. When ordering twenty-five plants of the same variety and size the hundred rate applies.

Deliveries:

During the planting seasons our trucks frequently pass most points within a radius of twenty-five miles from Westfield. Deliveries will be made at no additional charge within this radius when they may be incorporated on our regular trips. There will be a charge for special delivery service and long distance truck delivery can be arranged at actual cost.

To Our Customers

Service Department:

With the return of peace we shall try to maintain pre-war service, as we anticipate a better labor situation by the spring season. For the convenience of our customers we will supply an experienced and responsible planting service. These same experienced men are available during the summer and winter to do your trimming and spraying—a very essential operation for the appearance and well-being of any successful planting.

Post Office Address:

Please address all letters and communications to the Adams Nursery, Inc., Westfield, Massachusetts. We may be reached by telephone on the following exchanges:

Westfield 863 Springfield 6-0443

Shipping Season:

Our spring shipping season usually begins early in April and until about the first of June everything can be transplanted. Perennials and stock dug with a ball of earth can be moved at anytime during the summer. Our fall season starts with the digging of evergreens in August, followed in October by Deciduous trees and shrubs.

Terms:

We are glad to extend thirty day terms to established accounts. Also to open new accounts, via references, if order amounts to \$10 or more. On first orders, for less than \$10 please send cash. Our guarantee is void on overdue accounts.

Prices:

Prices in this book supersede all previous lists and are subject to change without notice. Except for those retail orders received from within the free delivery twenty-five mile zone, prices are F.O.B. nursery.

Evergreen Foundation Plantings

In the city where space is often limited the Evergreen foundation planting is perhaps the most important feature of the home landscape.

The proper selection of plant material will increase the property valuation and never obscure the windows or vision.

Outdoor Living Rooms

To enjoy modern living, our homes should provide all the necessary facilities for outdoor relaxation. Develop an Outdoor Living Room where leisure time may be spent in the fresh air and sunshine.

Privacy may easily be obtained by planting a shrub or evergreen border. Roses and perennials should be introduced as added refinement and beauty.

Landscape Department

It has been our pleasure and custom for many years to offer our patrons the service of landscape plans, estimates and personal advice. During the war this service had to be discontinued. With the return of peace we anticipate an improved situation which will permit us to restore this service this year.

Evergreen Trees

ABIES—Fir

| | Each | White Fir 10 | White Fir 100 |

Evergreen Foundation Plantings

Increase the valuation of your property
as well as beautify the home surroundings

Evergreen Trimming and Spraying

To maintain health and preserve symmetry your evergreen plantings should be trimmed once a year preferably during the winter or summer months.

Spraying should be done as a preventative to avoid disease and infestation.

Our experienced men are properly equipped and at your service.

Testimonials

ADAMS NURSERY, INC.

WESTFIELD, MASS.

Gentlemen: I just wanted to tell you how pleased I was with everything you sent—everything came through just fine, and no wonder, as I have never seen any shipment packed so thoroughly.

I thought you might be interested in the way the shipment came through. I had your letter on Friday the 30th telling me you were making shipment on that day—well, Saturday at noon they were here.

Thanking you, I am

Very truly yours,

ADAMS NURSERY,

WESTFIELD, MASS.

Gentlemen: I wish to take this opportunity to personally thank you for one of the very finest shipments of Evergreens we have ever received. The plants were all excellent specimens and certainly very generous for the size specified. Also the balls were well made and arrived in excellent condition. I would appreciate your conveying our thanks to those responsible for, the excellent job done.

Sincerely yours,

Adams Evergreens are Guaranteed for six months.

Index of common names will be found on page 52.

**Potted Roses**

The illustration at left gives you a good idea of the quality and condition in which you will receive our Potted Roses. Just remove the paper pot by slitting down the side; plant so that the top of the earth ball is 4 to 6 inches below the surface, and water well. Our Potted Roses will not stop even to catch their breath before they will supply you with an abundance of bloom.

\$1.40 each.

\$16.50 per doz.

Adams Plants are Guaranteed for six months.

Index of common names will be found on page 52.

VIOLA PURPLE HEART

Originated by Adams Nursery, Inc.

Introduced by Jackson and Perkins

Plant Patent applied for

Huge, velvety, deep violet-purple—twice as large as any you've ever seen! On fine long stems (7 to 8 inches), from spring all through summer and fall—grow them this year!

Flowers Up to 3 In. Across

The vigorous plants do well in most any garden location, with a continuous supply of blooms. Imagine how the whole world will want these mammoth waved and frilly blooms, with their bright golden eyes and velvety sheen!

You'll want enough for plenty of cut flowers, as well as for garden display in several favorite spots. Be sure to have your plants in time.

85 cents each; 3 for \$2.25; 6 for \$4.25; 12 for \$8.00

YUCCA Adam's Needle
filamentosa. Creamy white. 4 feet. June and July. 50 cents each.

Except as noted: \$.40 each; \$4.00 per doz.; \$30.00 per 100.

Fruit Trees

APPLES

APPLE TREES Standard

| | Each | Ten |

Old Deerfield Lawnshrub Fertilizer

Analysis 6-5-5

A balanced plant food scientifically mixed for lawns, trees, shrubs and flowers. Contains soluble nitrogen and plant foods for use in early spring and then various organic fertilizers which feed the growing lawn or plants gradually and continuously throughout the summer.

Apply evenly on the lawn at the rate of five pounds per 100 square feet. Sow this fertilizer only when the grass is perfectly dry.
